Our Biswas is a 501(c)(3) organization

Since its inception in 2007, with the support and contributions from Our Biswas, Aamara Biswas (India) has empowered more than 15,000 women in the state of Odisha, India through nano finance. In 2016, because of the success in Odisha, we launched the Global Initiative in Uganda. Women helping women through nano finance is now in place in Kampala, Kasese, and is in development in a third community in Kyaninga.

Please join us and listen to the inspiring stories of the women who have been empowered by your kindness. We are extremely humbled by your generosity and thank you for your presence.
